Your Free Puzzles

Thank you for picking up our word search book. This little collection is our gift to you — twelve brand-new large-print puzzles on the Second World War, yours to print as often as you like.

Find all the hidden words in each grid. Words run horizontally, vertically or diagonally, and they can read forwards or backwards. Cross each one off the list as you find it. Every solution is printed at the back.

The grids are set in large print, so there is no squinting and no eye strain. Print them one at a time, or run off the whole set and keep it by the armchair.

Tip: fifteen to twenty minutes a day on a puzzle is enough to keep concentration and memory working nicely.
